New Ride Experience!!!

THE BLACK HOLE™: The Next Generation A Wet 'n Wild classic just got better, as your two-person hydra capsule blasts off into a mysterious void featuring pulsating light, dynamic effects and cosmic energy.

BRAIN WASH™ Hypnotizing water thrills await as you and your friends encounter a splashing dose of group therapy on this unique water ride. Lose your grip on reality, but not your grip on the 2 or 4-person tube, as you climb the walls on the six-story extreme tube ride with a 53-foot vertical drop into the 65-foot domed funnel. It's mind blowing!

DISCO H₂O™ Prepare for a trip to the funky 1970's. Board a four-passenger tube down an enclosed flume toward a watery disco nightclub - complete with lights, disco balls, and, of course, those groovy hits of the seventies.

LAZY RIVER Escape to Florida's past on the Lazy River. Replicas of old Florida boat docks, rustic billboards and enchanting waterfalls give this long-time favorite a dramatic transformation.

THE BLAST A raging ride down a ruptured pipeline that will soak you to the core!

KIDS' PARK Kids love the elaborate Kids' Park featuring a gigantic bucket that periodically fills with water and splashes into the pool below.

THE STORM Reach maximum speed as you drop from an elevated chute into a giant open bowl where you spin in circles to a splash landing!

THE FLYER A four-passenger, in-line toboggan adventure ride through 450-feet of thrilling, banked curves!

BOMB BAY Enter a bomb-like capsule and feel the floor drop from beneath you as you take a heart-stopping plunge down a 76-foot high, nearly vertical slide.

DER STUKA This six-story speed slide lets you "free fall" down a 250-foot slide, then glide to a stop along a 115-foot water runway.

MACH 5 Choose from three different flumes totaling 1,700 feet that twist and turn over different thrill courses ending in an abrupt splash.

THE SURGE Experience this exhilarating, multi-passenger tube ride down five stories through almost 600 feet of twisting, turning, banked curves!

BUBBA TUB A six-story, triple-dip slide with a tube big enough for the entire family!

SURF LAGOON Four-foot high waves roll across this 17,000 square foot wave pool which features a waterfall that splashes off the back wall.

BUBBLE UP A large, wet, inflated bubble made just for kids who climb, bounce and slide down into three feet of water.
